

Red Gold Tomatoes made a huge impact at The Children's Table Food Bank with a truckload of donated canned goods, paid for by Red Gold employees. The delivery driver even volunteered his time to bring the shipment all the way from Indiana. "This is a tremendous gift to the community," said Mr. Bill Brown, founder of The Children's Table. "Folks are still hurting, still rebuilding. This Red Gold Tomatoes truck is like a big ol' ray of sunshine rolling in."

The generous donation of tomato products from Red Gold Tomatoes will be distributed through The Children's Table's weekly food distributions, ensuring that local families have consistent access to nutritious and high-quality tomato products. This contribution is especially significant as it allows us to offer items like canned tomatoes, pasta sauces, and diced tomatoes, which are essential staples in many households.

We are incredibly grateful for Red Gold Tomatoes' generosity, as well as the kindness and support of their employees who made this donation possible. Their commitment to helping our community is a shining example of how corporate philanthropy can have a profound impact. This donation will not only help meet the immediate needs of families, but it will also provide valuable ingredients for healthy, homemade meals, making a lasting difference in the lives of those we serve.

THANK YOU RED GOLD TOMATOES

Come up with the most outrageous, hilarious, or creative way to say "Thank You, Red Gold!" Your submission can be:

- ✓ A photo (e.g., a tomato in a tiny hat, a thank-you message spelled in ketchup, a Red Gold tomato superhero)
- ✓ A video (e.g., singing a thank-you song, a tomato juggling act, a dramatic reading of an epic tomato poem)
- ✓ A drawing/painting (e.g., a masterpiece of Red Gold saving the world)
- ✓ A short story/poem (e.g., "The Legend of Sir Tomato, Defender of Dinner")

Kenny (L) Shawn (R)
Share a photo opportunity while serving families during Monday's Distribution.

We are incredibly grateful for Shawn and Kenny, two dedicated volunteers who have been with The Children's Table for many years. Every Monday, Shawn goes above and beyond, assisting with getting meat bags and French fries into families' cars and even delivering food to those in need. His commitment to our mission is truly remarkable.

Kenny, our go-to guy when something needs fixing, has also been an invaluable part of our team for years. Whether it's a small repair or a big task, Kenny is always there with a solution. Thank you both for your unwavering dedication and years of service to our community. Your efforts make a real difference, and we are so thankful for you!

More Than a Meal: Stories of Strength and Hope

The Children's Table has been a constant source of support for families facing life's toughest challenges—from those recovering from house fires and the destruction of hurricanes, to individuals battling medical emergencies. We've offered more than just food; we've provided hope, compassion, and a steady hand to those in crisis. Whether it's parents struggling to make ends meet, families who've lost everything, or those navigating overwhelming hardships, we've been there for them. These are just a few of the faces we support each week, as we serve nearly 1,000 families. Our mission to nourish and empower has never been more vital, and with your continued support, we'll keep making a lasting difference in our community.

Your Support is Transforming Lives, One Donation at a Time

The Children's Table provides vital support to nearly 1,000 families weekly in North Central Florida through our local food distributions, mobile bus routes, and distance outreach programs, ensuring no one goes hungry. Beyond food distribution, we empower the community through our teaching garden, offering free classes on growing fresh produce. We also respond quickly to emergencies, providing essential aid during crises like hurricanes. Your donations help us continue this crucial work—feeding families, fostering self-sufficiency, and offering hope when it's needed most. Every contribution makes a difference.
